  "__v": 4,
  "id": 13
}
```

POST:

The image contains two screenshots related to a POST request. The left screenshot shows a REST client interface with a collection named 'users'. It displays a list of documents, including one for a user named Felipe. The right screenshot shows the details of a POST request to `https://supermarketattylyu.onrender.com/user`. The request body is a JSON object for a new user, and the response status is 201 Created.

POST Request Details:

- Method: POST
